Recent bestsellers and new discoveries in archaeology have sparked a renaissance of interest in the many controversies surrounding Jesus life. Was he married? Was he divine? What did he do for the first thirty years of his life? Was there a Star of Bethlehem? Was there a miracle at Canaan? Is there - as The Da Vinci Code claims - a Jesus lineage? Drawing on her relationship with her spirit guide and her years studying the controversial Gnostic texts, Sylvia Browne answers these questions and more with the confidence and authority only someone who has visited the afterlife can have.
