

NSSC Mathematics Teacher` Guide

Marlene Coulson

NSSC Mathematics Second Edition is a course consisting of two Modules, an Answer Book and a Teachers Guide. The course has been written and designed to prepare students for the Namibia Senior Secondary Certificate (NSSC) Ordinary Level, or similar examinations. The modules have been developed for both distance learners and learners attending schools. NSSC Mathematics Second Edition is high-quality support material. Features of the books include: * modules divided into units, each focusing on a different theme * stimulating activities, designed to encourage critical thinking * margin text providing extra information and explanations * worked examples to enhance the understanding of mathematical concepts and methods * step-by-step guidelines aimed towards achieving the learning outcomes * self-evaluation to facilitate learning and assess skills and knowledge * detailed feedback in the Answer Book
