

No! Yes!: Level 1

Illustrated by Barry Gott

No! No! And No! A little boy wants no shower, no eggs at breakfast, no scarf or hat or gloves to wear. But he gives a big, firm Yes! to taking his backpack, having his homework done and listening in class. Thankfully, in the end, No! and Yes! come together with a lovely surprise! Developed to help the new reader develop their skills, Im Going to Read[trademark] offers children entertaining stories and spectacular artwork.
