

# Not Your Average Fairy Tale

Colleen Burbules

Christy's world is turned upside down and inside out when she learns that some myths are truly facts, and is transformed from a human to a hybrid fairy. Soon after, she discovers a long lost friend is still alive and he isn't human himself. Together not only do they battle their attraction for one another, but they also have to fight against the king of the Redcap fairies to save themselves and the human race. They combined their fighting skills with two other fairies and a rogue vampire, but only one figures out the answer to the evil king's demise. Question is, did they find out too late, or will they defeat him and rescue the world from slavery and death? Will Christy and her friend end their constant bickering and give in to their desires?
