

Noughty and the Alien SpamKam

Brian Ogden, Illustrated by Mike Phillips

More fun-filled adventures from Noughty the Alien. Noughty is back with his friend Sophie again, and this time he brings his latest invention A SpamKam! The SpamKam can go back in time and project live footage of events thousands of years ago right onto Sophies TV screen. Sophie is thrilled to see images of some of the things Jesus did, and uses them to explain more about Jesus to Noughty, helping him build on what he learned on his first visit to Earth at Christmas time. Noughty the Alien books are all great fun, full of the kind of humour young children will respond to, and explain key Christian beliefs and festivals in a simple, child-friendly style. Children will love Noughty the Alien and want to collect all three titles.
