

Now I Can Color Workbook Toddler - Ages 1 to 3

Piffikus

Yes, now your child can color! He/she can rub his/her crayons across these pages and it wont even matter if he/she is crossing the lines or not. What matters is that your child is having fun while learning about colors, lines, shapes, and forms, too. Soon, he/she will be mixing colors and coming up with his/her own designs. Isnt this exciting?
