

# Now This is a Very True Story

Jimmy Jones

Jimmy Jones is the guvnor of comedy. He was the first adult comedian to break big in the UK. His uncompromising act made him a hero to hundreds of thousands of blue collar Londoners. He became known for his catchphrase kin ell! and established himself as an underground legend-in the process attracting everyone from rocks royalty to real Royalty. The Rolling Stones, the Nice, the Small Faces, Iron Maiden, and Status Quo were among the many stars who flocked to his gigs. The Beatles played his tapes on their tour bus. His fans included fellow comedian Dudley Moore and Chubby Brown and soap star Martine McCutcheon and Dean Gaffney. In a long and successful career Jones has told jokes to Michael Jackson, entertained the Kray Twins, and performed for a surprising number of Royal Family members-Prince Charles, Prince Philip, and Princess Margaret. TV bosses hated him but Jimmys outrageous comedy made him a millionaire by his 40s. Not bad for a kid from the rough end of Essex who grew up thinking hed become a priest.
