

Now and Again

Jennifer Ellison

Unemployed. Broke. Maid of Honor. All (unfortunately) words that describe Em Hayes. Without any job leads in San Francisco, Em caves to her mothers promise of free rent and returns home. Her best friend, Nikki, couldnt be more thrilled. Ems degree in Event Management is gathering dust, and what better way to put it to use than planning Nikkis wedding? Theres just one flaw in that plan: Cole Connors. The girls former roommate. And part of the reason Em hasnt been back since college graduation. Ems never been able to forget Cole-or how close they were before she pushed him aside and ran for the hills. Coles never forgotten Em either- but in the past two years, she hasnt given him much choice but to try. And, according to Nikki, theres no better pair to plan the wedding of her dreams. Ems usually good at squashing messy feelings, but being around Cole again brings them all rushing to the surface. And this time, shes not sure she wants to run.
