

Nowhere Girl

Angela Huth

Estranged from her second husband, Jonathan, Clare Lyall is less sure than ever about the role men should play in her life. Her first husband, Richard, was much older than her, and his casual disregard for youth gradually hardened into indifference. And Jonathan, if anything, was too easy too attentive, too concerned, and just a little too pedantic. So when she meets Joshua Heron at a party, the offbeat Clare isnt exactly thirsting for love. But she is mildly impressed when Joshua stubs his cigarette out on his thumb, and swayed still further by the advice of her new friend, the indomitable Mrs Fox. Take a lover, she says. Its better to have a lover when youre young than neurosis when youre old.... Gentle, wistful and wry, *Nowhere Girl* is a beautifully controlled love story from the Booker Prize winning author of *The Elected Member*.
