

The Notvarov Chronicles

Bill Watkins

Jeremiah Esfuerz inherited a revolution... Abused for so long, he and the rebels he leads in year 2051 America MUST GET THE VOTE FOR KIDS or die trying. A final frontier of discrimination is illuminated for destruction in this status quo bashing thriller for kids rights. *** Reader beware there are revolutionary ideas about children and their rights in these chronicles. Do not read them if unwilling to help our country. Pass the book along, so its pages may find those who will lead us out of the Dark Ages of Age-and into the sunlight of a New Golden time of Youth-led Change.
